Shawn Tuma Explains Most Common Causes of Health Care Data Breaches in Video Interview with AJMC

Spencer Fane attorney [Shawn Tuma](#) was featured in a video interview with the *American Journal of Managed Care*. The conversation was recorded during the 2024 Community Oncology Conference, where Shawn served as a panelist on cybersecurity and data privacy in oncology.

In his discussion with reporter Maggie Shaw, Shawn addresses common causes of health care data breaches, how he helps clients reduce their risk and be better prepared for these situations when they occur, and effective fixes to remedy and prevent future damage.

At Spencer Fane, Shawn co-leads the firm's Data Privacy and Cybersecurity Practice Group. He helps businesses protect their information and protect themselves from their information. Shawn is a frequently sought-after thought leader who represents a wide range of clients in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
