Shawn Tuma Explores SEC Cybersecurity Regulations for CLE Session

Spencer Fane attorney Shawn Tuma joined the panel for the recent CLE, A Year In: Navigating SEC Cyber Rules and Increased Liability for Senior Executives and the Board.

Presented by the Legal Cyber Academy and West LegalEdcenter, the session centered on the Rules on Cybersecurity Risk Management, Strategy, Governance, and Incident Disclosure released by the Securities and Exchange Commission in June 2023. Shawn and his fellow panelists provided an overview of these regulations and discussed compliance strategies organizations can utilize. They also explored practical approaches to mitigate regulatory risks and liability when managing cybersecurity threats.

At Spencer Fane, Shawn co-leads the firm's Data Privacy and Cybersecurity Practice Group while serving as Office Managing Partner for the firm's Plano location. He helps businesses protect their information and protect themselves from their information. Shawn is a frequently sought-out thought leader who represents a wide range of clients navigating cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
