

Shawn Tuma Participates in Cyber Response Workshop

Spencer Fane attorney [Shawn Tuma](#) presented on what professionals need to do to prepare before, during, and after a ransomware attack or breach as part of a cyber incident response workshop on July 7. The event was co-hosted by nonprofit K12 Security Information Exchange (K12 SIX) and ESC Region 11, an education service center.

The presentation, [What Schools Need to Know and Do Before and After a Cyber Attack](#), led the audience through preparation to post-incident activities from the first hour to years after a ransomware attack.

Shawn was joined at the full-day, comprehensive workshop by Eric Lankford, Director of the K12 Security Information Exchange; Mike Saylor, CEO of Blackswan Cybersecurity; and Jeff Shaffer, Vice President of Engagement Management at Stroz Friedberg.

At Spencer Fane, Shawn helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small to midsize companies to Fortune 100 companies, across the United States and globally in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
