

Shawn Tuma Presents on Cybersecurity for the Digital Age at Leadership Summit

Spencer Fane attorney [Shawn Tuma](#) shares how companies and counsel are addressing privacy and cybersecurity topics and why data privacy compliance remains a priority and a challenge for many organizations at the Argyle General Counsel and Chief Legal Officer Leadership Summit on August 16.

During the presentation, [Data Privacy & Cybersecurity for the Digital Age](#), Shawn and his panelists discussed best practices for drafting privacy-related contract provisions and overall trends in data privacy and cybersecurity breach litigation. Shawn also shared the latest on rapidly changing privacy and data security risks and legal obligations, and how to track and stay informed of evolving global privacy rules and regulations.

Shawn was joined by Ian C. Ballon, Co-Chair, Global Intellectual Property & Technology Practice Group at Greenberg Traurig; and Paul Lanois, Director, Technology, Outsourcing and Privacy at Fieldfisher. Dan Lantry, Vice President of North America Legal Affairs at Sonova Group, served as the moderator.

At Spencer Fane, Shawn helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small to midsize companies to Fortune 100 companies, across the United States and globally in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
