

Shawn Tuma Provides Insight on Protecting Against Cyber Claims

Spencer Fane attorney [Shawn Tuma](#) recently spoke on preventing cyberattacks at [International Show Caves Association & National Caves Association Congress 2022](#) on September 27 in San Antonio, Texas.

During his presentation, [No One is Immune to Cyber Claims: Protect You, Your Guests, and Your \\$\\$\\$](#), Shawn outlined why no one is immune to cyber exposure, especially given the increase in phishing attacks that target C-level managers with intent of stealing dollars or data including credit cards, passports, and other personal data. He and his fellow panelist, Matt Ross, the National Cyber Claims Leader at Marsh McLennan Agency, shared what can be done to protect the critical assets – data.

At Spencer Fane, Shawn helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small to midsize companies to Fortune 100 companies, across the United States and globally in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
