

Shawn Tuma to Lead Cyber Incident Session at ISACA Spring Conference

May 28, 2026

Norris Conference Center | 816 Town and Country Blvd Ste 210, Houston, TX 77024

Spencer Fane attorney [Shawn Tuma](#) will present Navigating the Cyber Battlefield: Incident Response Lessons from a Breach Quarterback at the ISACA Greater Houston Chapter Spring Conference on May 28 in Houston, Texas.

Harnessing expansive experience guiding organizations through complex incidents, Shawn's presentation will explore how technical realities, legal obligations, and business decisions intersect during high-stakes cyber events. His battle-tested insights will include the life cycle of an incident; the components of effective investigation and containment; common pitfalls that increase legal, regulatory, and business risk; and practical steps to improve incident readiness, resilience, and coordination.

- What effective investigation and containment look like in real-world scenarios
- Common pitfalls that can increase legal, regulatory, and business risk
- Practical steps to improve incident readiness, resilience, and coordination

At Spencer Fane, Shawn co-leads the firm's Cyber | Data | Artificial Intelligence | Emerging Technology Practice Group while serving as Office Managing Partner for the firm's Plano, Texas, location. He helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small companies to Fortune 100 companies, across the U.S. and globally in dealing with artificial intelligence (AI), cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber and AI-related litigation.
