Shawn Tuma to Return to SecureWorld Dallas for AI Data Breach Keynote

October 8, 2026

Plano Event Center | 2000 E Spring Creek Pkwy, Plano, TX 75074

Continuing his long-standing collaboration with SecureWorld, Spencer Fane attorney [Shawn Tuma](#) will present at SecureWorld Dallas on October 8 in Plano, Texas.

SecureWorld offers year-round critical data privacy and cybersecurity insights through its numerous educational and news offerings. Shawn, one of its frequently sought-after thought leaders, will moderate the lunch keynote, You Be the CISO: A Live AI Breach Simulation, at this year's Dallas conference. Part of the organization's 2026 conference theme, Timeless Cybersecurity, this hands-on decision exercise will harness current research and live voting to guide attendees through a data breach scenario and hone their legal and financial strategies for such an exposure.

Shawn co-leads the Spencer Fane Cyber | Data | Artificial Intelligence | Emerging Technology Practice Group while serving as Office Managing Partner for the firm's Plano, Texas, location. In these roles, he helps businesses protect their information and protect themselves from their information. Shawn represents a wide range of clients, from small companies to Fortune 100 companies, across the U.S. and globally, in dealing with artificial intelligence (AI), cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber and AI-related litigation.
