Shelli Clarkston and Brian Devling Co-Lead Equity Pledge Agreement Webinar

Spencer Fane attorneys [Shelli Clarkston](#) and [Brian Devling](#) were panelists for the myLawCLE program, Drafting Equity Pledge Agreements in Partnerships and LLCs: Strategies to Maximize Lender Protection, on October 3.

During the two-hour CLE, the team joined other industry thought leaders in providing best practices for drafting equity pledge agreements and navigating their complex drafting and enforcement challenges (such as UCC Articles 8 and 9 compliance). The panelists discussed how to avoid common drafting mistakes, perfect and enforce security interests, and navigate the regulatory hurdles that arise during foreclosure.

At the firm, Shelli focuses her practice on regulatory compliance, corporate governance, and strategic transactions for clients in the financial services, fintech, and technology sectors. Brian represents lenders in the origination and workout of middle-market commercial finance transactions, constructing strong foundations for consistently risk-averse and cost-efficient outcomes.
