Six Spencer Fane Attorneys Earn 2023 Minnesota Super Lawyers Recognition

Spencer Fane is pleased to announce that two firm attorneys have been selected for the 2023 list of *Minnesota Super Lawyers*, and three attorneys have been recognized as Rising Stars. In addition, Toni Ojoyeyi was further recognized with a feature in the magazine.

The Minneapolis team – which includes recent addition Steve Ling – has achieved this honor based on Super Lawyers' peer-influenced and research-driven selection process. Each year, no more than 5% of the lawyers in each state are selected for their outstanding service in the legal industry.

The selected attorneys and their practice areas are:

[Jim Lodoen](#), Bankruptcy: Business

[Johanna Hyman](#), Business Litigation Rising Star
