Spencer Fane Chair Honored as a 2025 Law Firm Leader by Missouri Lawyers Media

For the third time, Spencer Fane Chair Patrick J. Whalen has been named a 2025 Missouri Lawyers Awards recipient by *Missouri Lawyers Media*.

In his profile, Pat discussed some of the firm's biggest achievements over the last year including retaining a position as the fastest-growing AmLaw 200 firm, growing its talent and market footprint, and implementing a culture-centered organizational redesign. He explained how the reimagined Spencer Fane structure – parallel lines of accountability rather than a traditional vertical hierarchy – both unlocks additional professional development opportunities and makes the firm more agile in serving client markets.
