

SpencerFane®

Spencer Fane Construction Law Team to Speak at CMAA2026

October 5, 2026

6700 N Gaylord Rockies Blvd, Aurora, CO 80019

Spencer Fane attorneys [Michelle Berger](#), [Julie Jorgensen](#), and [Dani Kaiser](#) will present at CMAA2026, the Construction Management Association of America's flagship event, on October 5 in Denver.

This conference will offer three days of educational programming, industry recognition, and exhibition. The Spencer Fane team will join the Delay vs. Disruption: Identification, Mitigation & Risk Management Across the Project Lifecycle panel. This session will explore how construction teams can distinguish, prevent, and manage project delays and disruptions, using practical strategies for risk allocation, documentation, change management, and dispute avoidance to reduce exposure and costly claims.

At the firm, Michelle, Julie, and Dani deliver practical, results-driven counsel for complex construction matters. Their counsel to owners, contractors, subcontractors, developers, and design professionals expands across the full life cycle of construction projects, manages risk, and centers client business goals.
