Spencer Fane Continues to Climb NLJ 500 and Law360 400 Rankings, Highlights Growth

In addition to continuing its ascent on the Am Law 200 and maintaining its position as the [fastest-growing law firm](#) according to the *American Lawyer*, Spencer Fane continues to climb the rankings of renowned national legal media such as the *National Law Journal* and *Law360*.

In the recently published [NLJ 500](#) listing, which annually tracks the nation's largest law firms by headcount, Spencer Fane jumped to #105 in 2025, a 52-spot improvement over just five years.

Similarly, *Law360* has released its 2025 [Law360 400](#), which likewise ranks the largest law firms by headcount, with Spencer Fane breaking into the Top 100 for the first time at #93. This marks a 17-spot improvement since 2024 and a 235-spot improvement since the firm's debut on the list in 2014.

These numbers continue to reflect the sustained growth Spencer Fane achieves through a strategy that centers on culture, talent, and client service. As a result of its intentional, multifaceted approach, the firm was declared "a case study on how a law firm can add market share, climb the rankings, and grow profits, all at the same time" by the *American Lawyer* and an organization that's "redefining what it means to be a law firm in the 21st century" by the *Kansas City Business Journal*.
