

Spencer Fane Houston Office Adopts a Family for the Holidays

The Spencer Fane Houston office was honored to renew its participation in the Adopt-a-Family Project, a charitable program hosted by the Houston Bar Association (HBA) Aids Outreach Committee. Office coordinator **Melody Loftin** organized the firm's gift donations, brightening the holiday season for a local family of 10.

This [annual initiative](#) provides gifts to families affected by HIV or AIDS by soliciting and matching firms and corporations with families. The Spencer Fane Houston office has proudly contributed to the program for the past 18 years and has sponsored the same family for two consecutive years.

Spencer Fane professionals exhibit year-round dedication to improving the communities in which the firm is immersed, and multiple offices have put forth significant effort to help those in need during the holiday season. Examples include the [Overland Park office's](#) adopting their own family through a Holiday Heroes program and the [Spencer Fane HR team](#) volunteering at a Kansas City food bank.
