Spencer Fane Lifts the Community Through Parade of Hearts Sponsorship

Spencer Fane is pleased to sponsor the Parade of Hearts, which aims to energize the local economy, boost tourism, and revitalize retail and service sectors throughout the Kansas City community. The mission of the Parade of hearts "is to unite our region through an incredible public art experience."

The firm selected to sponsor the "Spread Love, Not Hate" heart, which aligns with its commitment to building, maintaining, and leveraging a diverse and inclusive law firm and community. Artist Katie Carlisle created the heart to "capture the theme of advocating for love, diversity, and equality." She noted that "we have a beautifully diverse community, and I believe that spreading love in our community is a key Kansas City value."

There are 154 heart sculptures on display throughout Kansas City. To learn more about the Parade of Hearts, please click here.
