Spencer Fane Named a Finalist for 2025 Excellence in Law Awards

Spencer Fane is pleased to announce the firm's selection as a Large Law Firm of the Year finalist for the upcoming Excellence in Law Awards as presented by *Az Business* magazine in partnership with the State Bar of Arizona on March 27 in Phoenix.

Formerly known as the ACC Awards, this annual ceremony recognizes the most innovative and influential legal minds in Arizona and the vital role they play in the state's economy. All honorees embody a demonstrated commitment to upholding the law, ensuring justice, and navigating complex and impactful legal landscapes.

Spencer Fane is one of only six firms selected as a Large Law Firm of the Year finalist, earning this distinction for its client-centered approach, business acumen, legal thought leadership, and commitment to community engagement. Tying fourth in the nation as a U.S. News "Best Company to Work For – Law Firms," Spencer Fane layers the structural components of a forward-thinking, high-functioning firm with the individual strengths of each attorney. This methodology earned the firm recognition as the fastest-growing law firm in the nation and a shortlisting for "Law Firm of the Year" by *The American Lawyer*. As one of the firm's largest offices, the Phoenix team markedly boosts the culture-first mentality and builds upon this momentum.
