Spencer Fane Named to Missouri Lawyers Media's Top 20 Law Firms List

Spencer Fane is pleased to announce it has earned placement on *Missouri Lawyers Media* (MLM)'s Top 20 Law Firms 2023 list. For the second consecutive year, the firm has been distinguished as the fastest-growing firm by revenue.

Each honoree has been selected from among hundreds of Missouri law firms for maintaining a unique advantage in the market. *MLM* determines inclusion based on a wide range of criteria that includes everything from finance and headcount rankings to geographic footprint and industry influence.

"Spencer Fane's spectacular run of double-digit growth continues," the media platform writes of the firm's 10-year growth trajectory. *MLM* also notes that the firm has "moved up one place to be the seventh largest firm in the state" as it continues to "[expand] beyond its Kansas City roots." This reflects the intentional, strategic expansion of the Spencer Fane footprint as the firm enters new markets and adds new talent to generate additional value for clients.
