Spencer Fane is pleased to announce six practice areas have been recognized in the 2025 edition of *Chambers USA: America's Leading Lawyers for Business*. In addition, 27 firm attorneys are also honored in the guide.

The firm was recognized in the following areas in 2025:

- Energy: State Regulatory and Litigation (Electricity)
  - Texas – Band 3
- Environment
  - Missouri: Kansas City & Surrounds – Band 2
- Insurance
  - Colorado – Band 1
- Litigation: General Commercial
  - Utah – Band 3
- Litigation: White-Collar Crime and Government Investigations
  - Utah – Band 1
- Natural Resources and Environment
  - New Mexico – Band 2

The Spencer Fane energy and utility teams are lauded as attorneys "experienced in representing electric utility providers before regulatory bodies, including the PUCT and ERCOT, on a range of regulatory enforcement and permitting matters."

The firm's environmental team is featured as "a Kansas City-centered practice, renowned for its regulatory counseling and litigation" that "advises clients on a range of environmental issues, including cleanup matters, compliance with the Clean Air Act and Clean Water Act and asbestos litigation."

The Spencer Fane insurance team is recognized for its experience in "insurance coverage and bad faith disputes as well as notable strength in class actions."

In a highly competitive category, the Salt Lake City litigation team is singled out as "an experienced group" that "handles a range of matters including contract disputes, unfair competition, trade secrets, and professional malpractice cases."

The Spencer Fane white-collar litigation team earned praise as "a dedicated team able to advise corporations and individuals across white-collar defense and investigations. Its lawyers are recommended for their counsel across crisis management, government, and internal investigations."

The New Mexico natural resources team "maintains a highly regarded practice with prowess across a wide range of environmental, natural resources, and regulated industries issues."

Chambers USA is a legal guide that recognizes the nation's leading lawyers who are selected using a research process that relies heavily on in-depth interviews and client feedback. Rankings in the U.S. directory are assessed on specific criteria, including technical legal ability, professional conduct, client service, commercial astuteness, diligence, commitment, and other qualities most valued by clients.
