## Spencer Fane Returns as Sponsor for Kansas City Museum Fundraiser

Spencer Fane was pleased to once again serve as a Patron-level sponsor for the Nelson-Atkins Museum of Art's annual Party Arty in Kansas City. Staff professional **Evangelina Cantu**, a returning Party Arty Planning Committee member, represented the firm at the January 31 event.

This unique and lively event unites art and live entertainment in support of the museum's art education initiatives. This year's soiree exceeded fundraising goals for a total of \$144,485.

Celebrated under the theme Painted Night, Party Arty 2026 highlighted the museum's featured November 2025-February 2026 exhibit, Painted Worlds: Color and Culture in Mesoamerican Art, an exploration of the interplay between color, the cosmos, and creation in what is now modern-day Mexico and Central America. In addition to exploring the exhibit, hundreds of guests enjoyed locally crafted cocktails and morsels, music, interactive photo ops, dancing, and a stunning, vibrant atmosphere.
