Spencer Fane Secures Spot on List of Top Sports Law Practices for Second Consecutive Year

Spencer Fane is pleased announce its Sports Law team was again recognized by Hackney Publications in its fourth annual list of 100 Law Firms with Sports Law Practices You Need to Know About.

The 2024 list, available through the 100LawFirms portal, recognizes Spencer Fane as a top industry resource with an "exemplary" sports law practice. Firms are chosen based on information culled from readers, professors, and other industry experts and then listed alphabetically.

Hackney Publications is a news outlet that delivers valuable and important information about the legal side of the sports industry through 24 sports law periodicals. Founded by illustrious sports journalist Holt Hackney, the organization aims to maintain a narrow editorial focus on issues that matter to its subscribers.

Comprising lawyers with expertise in a broad range of areas – corporate law, litigation, entertainment, higher education, intellectual property, and labor and employment law – the Spencer Fane Sports Law team has significant experience handling the full range of legal issues facing university athletic departments, staff, and athletes as well as professional sports teams and athletes.
