Spencer Fane Sponsors 2024 Sabor del Valle for San Jose Community

Spencer Fane was pleased to sponsor the 15th annual Sabor del Valle (Taste of the Valley) on July 13 in San Jose, California. Attorney Servando Sandoval represented the firm at the event.

Sabor del Valle was inspired by the Latino community's rich history with the California wine industry and exists to benefit underserved and underrepresented groups. Every year, the event unites exceptional vintners, artists, restaurateurs, and up to 600 participants from all affiliations for a fun-filled extravaganza including food, drinks, lively music, and more. Proceeds from the fundraiser support local nonprofit organizations such as RotaCare and the YMCA of Silicon Valley that promote the well-being of those adversely impacted by their socioeconomic vulnerability.

This event is one of several Servando has supported this year that demonstrate his deep commitment to his local community. Others include the Alum Rock Jazz benefit concert and a firm-hosted Latino Business Referral Network gathering.
