## Spencer Fane Sponsors 2024 WellSky Foundation Gala

Spencer Fane was proud to sponsor the second annual WellSky Foundation Gala on January 27 in Kansas City. Attorneys [Stacy Harper](#) and [Hillary Martel](#) represented the firm at the event.

Held at The Abbott, the event's Celebrating the Night in Black and White theme allowed guests to raise money for the WellSky Foundation while recapturing the "timeless magic of black and white movies and the Big Band era." Stacy and Hillary were honored to join WellSky attorneys Sarah Rapelye, Jen Utting, and Kipp Knight for a fun evening that included dinner, cocktails, live music, raffles, and a live auction.

The WellSky Foundation was established in 2019 by WellSky, a leading health and community care technology company. The organization aims to improve the quality of life for vulnerable populations by removing socioeconomic barriers to health, recovery, and lasting wellness. They accomplish this mission by providing financial support to programs and organizations centered on four key factors: food insecurity, housing, transportation, and isolation.
