Spencer Fane Sponsors Christmas in the Park for San Jose Community

The Spencer Fane San Jose office is a proud sponsor of Christmas in the Park 2024. Attorney Maria Bellafronto led the firm's participation in this free, annual experience by coordinating a planning committee composed of **Elena Amaro**, Daniel Chung, Jed Dooley, Matt James, **Yvonne Leon**, Karen McCay, Servando Sandoval, Catherine Schlomann Robertson, and Ginger Sotelo.

Christmas in the Park is a community-focused nonprofit organization that creates a whimsical walk-through at History Park San Jose for families across the San Francisco Bay Area. For over 44 years, attendees have been enchanted by the event's musical and animated exhibits, entertainment and holiday-themed refreshments, and festivities such as an opportunity to take a picture with Santa.

Spencer Fane was pleased to participate in Christmas in the Park's Enchanted Forest, the largest art project in the city, featuring 600 trees decorated by numerous San Jose organizations. For this year's theme, Go Green, the firm created a fun, golf-themed Christmas tree complete with a golf ball topper. It will remain on display until this year's event concludes after January 1, 2025.
