Spencer Fane Sponsors Conexión Américas Fundraising Event

Earlier this year, Spencer Fane was pleased to sponsor Conexión Américas' Annual Cafecito Breakfast at the Amigo level. Attorneys [Charles W. Bone](#) and [Stephen Zralek](#) participated in the event.

Cafecito is Conexión Américas' largest annual fundraiser, gathering local leaders to honor the strength, history, and contributions of Nashville's Latino community. This year's campaign, Rooted and Resilient, raised \$234,559 in support of the nonprofit's mission and initiatives.

For over 20 years, Conexión Américas has fostered community and opportunities for immigrant families through an approach centered on social, economic, and civic integration. Their programs include workforce development, English language classes, tax assistance, and more. Both Charles and Stephen are deeply involved in the organization and have served as Cafecito Chairs.
