Spencer Fane Sponsors Digital NEST Anniversary Gala

Spencer Fane proudly served as a sponsor for the Digital NEST Ten-Year Celebration Gala on March 25 in Santa Clara, California. Attorneys [Jen Coleman](#) and [Elaisha Nandrajog](#) represented the firm at the event.

The gala celebrated the remarkable history and achievements of the Digital NEST, a nonprofit organization and firm client. Hundreds of guests enjoyed cocktails, dinner, live entertainment, silent and live auctions, and an after-arty.

The NEST enacts a mission to provide underserved Latinx youth in California with the skills, resources, and network to build and launch successful careers. Envisioning a future where all youth are prepared for career opportunities regardless of background, the organization creates sustainable and scalable technology learning centers that nurture technical and soft skills in addition to providing mentors and broadening future employment networks.
