Spencer Fane Sponsors Justice Miriam Shearing Gala in Las Vegas

The Spencer Fane Las Vegas office was pleased to serve as a supporting sponsor for the 2025 Justice Miriam Shearing Gala on September 11. Attorneys [Richard Holley](#), Ayesha Mehdi, and [Jessica Lujan](#) attended the Southern Nevada Association of Women Attorneys (SNAWA)-hosted event.

Now in its 13th year, this annual gala not only celebrates the achievements of local women leaders in the Nevada legal community but also raises scholarship funds for students at the William S. Boyd School of Law. The 2025 event bestowed the Miriam Shearing Award to Commissioner Erin Lee Truman and Trailblazer Awards to Judge Soonhee “Sunny” Bailey and Candace Carlyon.

The Spencer Fane Las Vegas office’s ongoing support of SNAWA and other regional organizations – such as Molina Healthcare of Nevada through their August 27 Community Palooza – showcases the firm’s ongoing [commitment](#) to connecting with and improving the communities its attorneys are immersed in. Not only does Spencer Fane financially support several organizations advancing inclusion, health care access, education, and family and youth services, but many firm professionals are active in community boards and organizations, volunteer programs, and local philanthropic endeavors such as pro bono work.
