Spencer Fane Sponsors KABA of Chicago Summer Social

Spencer Fane co-sponsored the Korean American Bar Association (KABA) of Chicago's Annual Summer Social on May 28 as part of the AAPI Heritage Month celebrations. IP partner Daniel Hwang represented the firm at the event.

The gathering at Pilot Project Brewing in Logan Square invited KABA members and friends to kick off the summer associate and clerkship season. In his roles as KABA Chicago Vice President and Spencer Fane Chicago Partner, Daniel networked with law students starting their summer positions.

At Spencer Fane, Daniel is an IP counselor providing guidance throughout the life cycle of intellectual property rights – from development strategy through dispute preparation, risk management, enforcement, and litigation. He advises clients on how to develop, secure, and protect core IP, drawing on broad subject matter exposure and work experience.
