Spencer Fane Sponsors KC CAN! Annual Auction Fundraiser

Spencer Fane has the privilege of sponsoring the Kansas City Children's Assistance Network (KC CAN!) Annual Auction on October 14 in Overland Park, Kansas. Attorney Melissa Sherman, a member of the KC CAN! Advisory Board, will represent the firm at the event.

The Wild West-themed auction, which will take place at Fiorella's, offers a night of bidding, dancing, and refreshments.

The auction is the sole fundraiser for KC CAN!, and all proceeds from the event will help fund the volunteer-based organization's 2023 budget. This funding provides grants that improve the lives of Kansas City children through short-term projects that create long-term solutions focused on education, safety, and hope.
