Spencer Fane Sponsors University Mentor Appreciation Event

Spencer Fane was honored to sponsor the April 29 University of St. Thomas School of Law 2026 Mentor Appreciation Reception. Attorneys Jim Lodoen and Lindsay Doman represented the firm at the event.

The University's mentorship program comprises over 500 respected lawyers and judges who volunteer their time to help prepare the next generation of legal professionals. As mentors, Jim and Lindsay enhance the educational and professional development of current law students while promoting the highest ideals of ethics, professionalism, leadership, and service.

As both alumnae and community leaders, several attorneys from the Spencer Fane Minneapolis, Minnesota, office collaborate with the University of St. Thomas. In addition to mentorship, our attorneys have served on career and leadership panels.
