Spencer Fane St. Louis Office Hosts Annual Art Fair Reception

The Spencer Fane St. Louis office was pleased to host its annual reception during the Saint Louis Art Fair (SLAF) on September 6 in Clayton, Missouri. Several firm attorneys attended alongside their clients and families.

Held at the Seven Gables Inn Courtyard & Gables Room, the firm's reception provided an open-house style experience for SLAF attendees with food, drinks, live music, and complimentary parking. The event also provided opportunities to network and watch the televised KU vs. Mizzou football game.

SLAF is a free, three-day celebration of visual and performing arts that showcases independent artists and musicians. Every year, attendees enjoy artist exhibitions and demonstrations, live performances, hands-on children's activities, and food from some of St. Louis' best restaurants.
