Spencer Fane Supports Golf Fundraiser for Habitat for Humanity

Spencer Fane was pleased to sponsor the TopBuild-Habitat for Humanity Golf Classic on May 12-13 in Orlando, Florida. Attorneys Kirby McDonough and Victoria McLaughlin represented the firm at the fundraiser.

Held at the Waldorf Astoria Golf Club, the event raised $1 million for TopBuild's long-term community partners, Habitat for Humanity International, Habitat for Humanity of Greater Volusia County, and Southeast Volusia Habitat for Humanity. The funds will support the nonprofits' mission to expand access to affordable housing.

Across the firm's national footprint, Spencer Fane proudly partners with nonprofits and other organizations that improve the communities in which we are immersed. Whether joining annual projects with Habitat for Humanity of Greater Nashville; maintaining charitable giving programs in Kansas City, St. Louis, and Salt Lake City; or having our attorneys support fundraisers and serve on leadership boards, Spencer Fane remains committed to building relationships, driving local development, and realizing opportunities for all.
