# Spencer Fane Team Details Recent Data Privacy Developments for State Bar of Texas

Spencer Fane attorneys Shelby Menard, Jeremy Rucker, and Shawn Tuma recently authored a computer and technology article published by the State Bar of Texas.

In the piece, Legislative Update, the team explains legal developments going into effect in the state of Texas regarding data privacy and security. They cover new rules regarding personal information disclosure, individual rights in commercial genetic testing data, security incident procedures, and more.

At Spencer Fane, Shelby, Jeremy, and Shawn represent a wide range of clients regarding the evolving and complex landscape of data privacy and cybersecurity. They provide counsel in matters such as incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
