Spencer Fane Team Discusses SARE Bankruptcy Cases in The Show-Me Banker

Spencer Fane attorneys <u>Lindsay Doman</u> and <u>McKay Holley</u> recently authored the Legal Eagle Spotlight for *The Show-Me Banker*, the official publication of the Missouri Independent Bankers Association.

In their feature, <u>Lenders' Rights in Single Asset Real Estate Cases</u>, Lindsay and McKay discuss the protections available to lenders during single asset real estate (SARE) bankruptcy cases. Among these options, the team notes, are "an expedited timeframe that requires a SARE debtor within 90 days of the bankruptcy petition to propose a Chapter 11 plan of reorganization or make interest only payments."

At Spencer Fane, Lindsay and McKay both skillfully guide clients through complex bankruptcy, restructuring, and nonbankruptcy insolvency processes. They adeptly represent creditors, receivers, trustees, and others to devise legal solutions that address both immediate and longer-term goals.
