January 23, 2025

5:30 pm MDT – 8:00 pm MDT

Angelo's Taverna | 6885 S Santa Fe Dr. Littleton, CO, USA 80120

Spencer Fane will serve as Platinum Sponsor for the Association of Corporate Counsel (ACC) Colorado chapter's January 23 CLE Dinner in Littleton, Colorado. Attorneys [A.J. Ferate](#), [Bill Powers](#), and [Jon Watson](#) will present the session, Jump-Start Your Political and Advocacy Efforts for a New Presidential Administration.

After attendees enjoy networking and a dinner buffet at Angelo's Taverna, they will enjoy a presentation centered on maximizing interaction with the new presidential administration and Congress while navigating multi-industry changes. The Spener Fane team will break down obstacles and opportunities presented by the new political and regulatory environment and discuss specific tactics for engaging with lawmakers, administration officials, and other key policymakers. A.J., Bill, and Jon will also discuss how to leverage the various tools for engaging with Washington, including how to form a Political Action Committee (PAC), navigate political giving, remain compliant with federal lobbying and ethics rules, and discover available tactics for facing agency rulemaking.

This CLE Dinner is one of many such events that [ACC Colorado](#) – the founding and original ACC chapter – holds throughout the year to provide substantive information, social networking, and practice group meetings to its members and beyond. As active participants in the organization, Spencer Fane attorneys proudly collaborate with ACC Colorado [multiple times](#) annually to lead timely continuing education opportunities.
