Spencer Fane to Sponsor 2026 Meaningful Capitalism Awards

Spencer Fane is pleased to serve as a Gold sponsor for the Meaningful Capitalism Awards (MCAs) 2026 Reception on May 5 in Golden Valley, Minnesota. Attorneys Phil Ashfield, Jessica Brigman, Maureen Foster, Jim Lodoen, and Ian Rubenstrunk will represent the firm at the event.

Founded by the Platinum Group in honor of its late founder, Dean Bachelor, the MCAs celebrate companies that "prove profitability and purpose can thrive together." Honorees prove an intentional commitment to people and the future through ethical business practices, community engagement, and sustainable growth.

For the first time in its four years, the MCAs will expand its purpose by raising funds at the reception for a formal philanthropic partner: Wallin Education Partners – a nonprofit that provides financial aid advising and other services to college scholars in need. In addition to raising money for this worthy mission, MCA attendees will enjoy an awards ceremony, heavy appetizers, and a hosted bar at the stunning Metropolitan Ballroom & Clubroom.

Register for the 2026 MCAs Reception here.
