Spencer Fane is pleased to sponsor the Colorado Association of Corporate Counsel's (ACC Colorado) upcoming 2024 In-House Counsel Forum on May 2 in Denver. Attorney [Jon Watson](#) will speak at the CLE and networking event.

Jon will join Lance Goeddel (B&R Auto Wrecking) for the session, So, You're the First (or Only) Attorney at the Company. This discussion will explore strategies for navigating the unique role of an in-house counsel, including how to balance various legal challenges while also working to add strategic value to an organization. Jon and Lance will focus on presenting practical insights and actionable, empowering advice.

Jon's presentation is one of several in the In-House Counsel Forum's timely, educational program. Other sessions will explore topics such as patent damages, risk management, use of artificial intelligence, cultural shifts in the post-pandemic workplace, employment law, and more. The forum is one of many [events](#) that ACC Colorado – the founding and original ACC chapter – holds throughout the year for the benefit of its members and wider legal community.

At Spencer Fane, Jon represents clients with a singular focus: to serve as a solutions-oriented business partner for employers facing labor and employment issues. What sets Jon apart is his drive to learn his clients' businesses and to give advice based

on their unique circumstances and strategic priorities. He also serves on the Spencer Fane DEI Committee, which works in tandem with other firm leadership to build, maintain, and leverage a diverse and inclusive law firm.
