Blanchard Family Wines | 1855 Blake St #120, Denver, CO 80202

Spencer Fane is pleased to return as co-sponsor for the Colorado Bar Association (CBA) Real Estate Section's wine tasting on June 24 in Denver. Attorney Robin Nolan will represent the firm at the event.

Held at Blanchard Family Wines, this free social gathering encourages CBA Real Estate Section members, non-section members, young lawyers, new lawyers, and invitees to mingle and learn about real estate law while enjoying a variety of wine and small plates. In addition, donation opportunities to the Section's community partner, Colorado Village Collaborative, will be available. Contributions will support the organization in creating and operating transformational housing communities in partnership with people experiencing homelessness.

Register for the wine tasting here. Please note that attendance will be capped at 75 people.
