Spencer Fane to Sponsor MN Crypto Council Mining Tour

August 21, 2025
3:30 pm CT - 8:00 pm CT

Spencer Fane is proud to sponsor the MN Crypto Council's Crypto Mining Tour 2025 on August 21 in Baxter, Minnesota. Attorney Alex Schoephoerster will represent the firm at the event.

Hosted by Just For Krypto, tour participants will take a bus from the Spencer Fane St. Cloud office to Baxter, Minnesota where they will gain exclusive access to a large-scale bitcoin mining facility. Attendees will network with fellow crypto enthusiasts, experience the future of finance, and forge new connections in support of the Council's mission to empower innovation and growth through blockchain and digital asset education.

The Spencer Fane St. Cloud office also sponsors the Council's monthly Coffee & Crypto Meetups at District Coffee.

At the firm, Alex advises clients across a broad spectrum of business law and transactional matters. Leveraging his legal, business, and analytical skills, he delivers a highly personalized service focused on value creation and the prioritization of each client's unique goals and objectives. A member of the firm's growing Bitcoin, Blockchain, and Digital Assets team, Alex's wide range of knowledge includes bitcoin and blockchain matters, and he provides strategic and practical business and wealth preservation counsel to large family-owned businesses, entrepreneurs, and high-net-worth individuals regarding this complex landscape.

Purchase tickets for the Mining Tour here. Please note, space is limited.
