December 10, 2025

MT – MT

Zoom

Spencer Fane is honored to serve as one of the presenting sponsors for the special Utah Bar CLE session, Let's Talk & Let's Listen – Part I on December 10. Attorney [Keith Call](#) will moderate this discussion with Utah Senate President J. Stuart Adams and Utah House Speaker Mike Schultz.

During this free webinar, the trio will engage in a meaningful discussion on the roles of Utah's three state government branches, focusing in on the appropriate balance of power between the legislative and judicial branches. The CLE is aimed at getting beyond catch phrases and headlines to have a meaningful dialogue about recent controversial decisions, selection and retention of judges, promoting a civil dialogue on hot-button issues, and building bridges of understanding.

At Spencer Fane, Keith – who was instrumental in organizing the Let's Talk & Let's Listen series – is a full-service litigator who helps corporate and individual clients with all of their litigation needs so they can stay focused on their core business and personal interests. He excels in handling complex commercial litigation and the defense of professional liability matters. In addition, Keith leverages his industrywide reputation to provide guidance to Utah lawyers through a regular column, Focus on Ethics and Civility, that publishes bimonthly in the *Utah Bar Journal*.

Members of the Utah Bar are invited to register for this CLE [here](#) by December 8.
