"We are excited to welcome another talented litigation associate with a unique perspective, diverse skill set, and strong cultural alignment," said [Brian Zimmerman](#), office managing partner for Spencer Fane in Houston. "Juliet's experience working with large insurance carriers and other corporations will be a fantastic asset to our high-performing, collaborative insurance litigation practice, and her former cross-industry legal work will help her continue to shape a holistic, wide-reaching practice."

Juliet completed her bachelor's degree at the University of North Texas before earning her Juris Doctor from Baylor University School of Law.

While in law school, Juliet completed multiple clerkships and internships, including at the Harris County (Texas) District Attorney's Office; for a private law firm and popular Waco, Texas, retail complex; and as a supervised legal practitioner for Undikumbukire ("Remember Me") Project Zambia, a human rights organization providing free legal services to children experiencing conflict across Zambia.
