

Tech Tuesday Series 2022

Ransomware – Resilience Planning to Better Protect Your Practice and Your Clients

Spencer Fane attorney [Shawn Tuma](#) recently spoke at the State Bar of Arizona's CLE webinar about data privacy and best practices for protecting confidential information.

Shawn co-presented with Bradley Perry, Lawyer Assistance Programs Director at State Bar of Arizona, focusing the discussion on ransomware.

The program addressed:

- The phases of a ransomware-attack life cycle
- The recovery and investigation process
- Cyber risk management and preparation planning
- Legal and regulatory issues related to cyberattacks
