Texas Bar College 23rd Annual Summer School

Spencer Fane attorneys John Browning and [Shawn Tuma](#) recently presented at a Texas Bar College CLE conference, where they discussed cutting-edge technology law topics.

John moderated the panel discussion, "First Amendment Impact on Social Media," which covered social media law, including free expression and censorship policies.

During Shawn's session "Protecting Your Firm and Clients Against Cyber Attacks and Ransomware," he covered cybersecurity and best practices for handling a cyber attack. Shawn explained how to proactively prepare for and minimize the risks of doing business in today's digital business world.
