

SpencerFane®

You Got Hacked, Now What?

Spencer Fane attorney [Shawn Tuma](#) will present at an upcoming webinar, covering the best practices for preparing and responding to a cyber attack.

Hosted by Armor Cloud Security, Shawn will participate in a panel discussion covering the life cycle of cyber threats, response tactics, and defense mechanisms.

The panel will discuss:

- Real-world examples of cybersecurity incidents
- An understanding of outcomes of a data breach
- Actionable steps on how to defend against cyberattacks
