Mike McCann Discusses Craft Brewing Legal Issues in Kansas City Business Journal Interview

NOVEMBER 20, 2017 | NEWS

Spencer Fane Partner Mike McCann was interviewed recently by the *Kansas City Business Journal* about legal pitfalls that can often affect craft brewery owners.

In the article, Mike mentions two common mistakes that owners should avoid: not keeping accurate records of investors and not adequately filing trademarks on beer brands. You can read the entire interview [here](#).

[Mike McCann](#) is the chair of the Spencer Fane Corporate Practice Group. He has represented several of the region's largest and most well-regarded companies through business decisions, mergers, and acquisitions that pave the way for their continued growth and success.
