Aurora Kammerer provides legal services to clients ranging from large health systems and hospitals to specialty providers and solo physician practices. Her approach to collaborative client service centers on understanding the challenges providers face related to ongoing changes in health care access, Medicare and Medicaid reimbursements, health information technology, and government fraud investigations. She also regularly facilitates advisement for clients on any type of legal matter a health care operation faces, including litigation and real estate, environmental, and financial matters.

Aurora completed her undergraduate studies at Creighton University and earned her Juris Doctor from the University of Iowa College of Law.
