Overview

A seasoned corporate attorney with deep experience, Barry Cassell represents private equity funds, public and private corporations, partnerships, limited liability companies, and individual clients in a wide range of transactional and governance matters, providing strategic counsel that benefits operations and takes advantage of growth and sale opportunities. His practice spans mergers and acquisitions, debt financings, formation of joint ventures and business entities, executive employment and severance arrangements, securities law compliance, and general corporate and commercial matters.

Over the course of his career, Barry has advised clients on transactions involving the acquisition and financing of businesses in the cable television, sports publications, consumer products, and educational publishing sectors. He also has significant experience guiding clients through divestitures and complex strategic transactions.

Barry works with businesses across a diverse array of industries, including lending, health care, manufacturing, publishing, technology, marketing, and media. Clients value his pragmatic legal advice, business-oriented perspective, and steady guidance through all phases of corporate growth and change.
