Overview

Charlie Tull is not an attorney or employee of Spencer Fane LLP.

Prior to his work as a consultant in the private sector, Charlie Tull served as the beer industry analyst for the TTB, capping a 40-year career as a federal alcohol industry regulator that started with overseeing trade practice investigations. Charlie's experience includes having led a nationwide TTB investigation that focused on category management practices. Charlie also taught brewery recordkeeping and operations to TTB inspectors, auditors, and specialists.
