Overview

Connor Walsh handles all phases of real estate transactions for individuals, companies, developers, builders, property owners, and financial institutions in his private practice, incorporating a collaborative approach to all related legal matters that helps clients keep projects and deals of all sizes on schedule and within budget.

After completing his undergraduate studies in professional writing with a minor in general business at Miami of Ohio University, Connor earned his Juris Doctor at the University of Denver's Sturm College of Law. While in law school, he worked as a student attorney in the Community Economic Development Clinic and represented nonprofit corporations, community-based associations, and small businesses with transactional legal needs and various corporate and business matters.
