Overview

Dan Lacomis works closely with his clients to develop the most effective strategies to manage all aspects of employee benefits, from helping clients design and structure retirement, welfare benefit, and executive compensation plans to representing them in IRS and U.S. Department of Labor audits. In his broad employee benefits practice, Dan represents multiemployer / Taft-Hartley, governmental, tax-exempt, and private plan sponsors.

Dan also has extensive experience advising tax-exempt organizations regarding tax compliance matters so that they can better perform their services and achieve their goals.
