Overview

Jack Amaral focuses his practice on data privacy and trusts and estates with a steadfast commitment to protecting clients' rights and assets. With extensive experience navigating complex privacy regulations such as the CCPA and a multitude of other state consumer privacy laws, Jack provides strategic counsel to national businesses and startups alike, ensuring compliance and mitigating risks amid a rapidly evolving digital age.

Within his trusts and estates practice, Jack offers tailored solutions for estate planning and administration, guiding clients with empathy and precision to safeguard their legacies. His intimate understanding of sensitive matters and strong advocacy for client interests have solidified his reputation for trusted, personalized services that provide a clear path to a secure future.

Jack earned his Juris Doctor *cum laude* at the University of St. Thomas School of Law.
