Overview

Johnny C. Garrett IV uses consistent and diligent counsel to guide his clients through challenging and difficult circumstances, helping them to meet their goals while maintaining successful operations even when negotiation or litigation becomes necessary. He focuses his practice in the areas of business transactions and formations, civil and commercial litigation, estate planning, and probate.

As a lawyer, Johnny has grown his practice to include small- and medium-size businesses, individuals who need assistance in the probate and estate planning stages of their lives, and all clients who find themselves in litigation. He also steps into a general counsel role with many of his clients when their needs do not justify an in-house counsel.

The most rewarding part of being a lawyer for Johnny is the opportunity to gain people's trust by providing quality legal counsel. Johnny enjoys serving his clients and solving their legal problems through litigation or negotiation.

In 2018, Johnny was elected state representative for the 45th District, which includes Cottontown, Goodlettsville, Hendersonville, Millersville, Shackle Island, Walnut Grove, and White House of Sumner County.

While also practicing law, Johnny remains active in the Sumner County community. He is a board member of the United Way of Sumner County, a graduate of Leadership Sumner, and a member of the Hendersonville Rotary Club. Johnny serves on the President's Advisory Board at Goodpasture Christian School and is president of the Goodlettsville Baseball program. He believes the talents he has as a lawyer provide an obligation to give back to his community.
